A lifetime of confinement would not be too much for the range of what remains of the State debt. It has been proposed by Gov. Bate to allow parties who now fund the past due coupons on the new bonds, amounting in all to two years interest, and to fund them in some sort of interest bearing scrip or in bonds. To do so, it seems to us, would be unfair to the creditors who funded promptly and unjust to the State. No man is entitled to interest that he has not earned. The past due coupons should, therefore, be cut off and cancelled. Funders are desired.
